NB:

- Only the radiography facilities listed above are qualified to take interns as at November 2025
- Previous shortlisted radiography facilities not listed above are those whose accreditation validity period have lapsed and are required to apply for re-accreditation
- Full Accreditation is for duration of four (4) years, and Provisional Accreditation is for two (2) years but may be extended to a period not more than 2 years

4. Henceforth, Intern Radiographers who undergo internship in radiography facilities that are not approved within the stated period of internship will be treated as having not undergone internship
5. Interns are not to change place of internship without seeking approval from the Board
6. Notwithstanding the number of interns assigned to Federal Government owned facilities, they may increase the number to the approved upper limit within the accreditation period following compliance to other recommendations.
7. Facilities seeking to take more interns should obtain clearance from the Board..
8. University Teaching Hospitals attached to Radiography Degree-Awarding Institutions not listed above should henceforth obtain the Board's accreditation approval before employing radiography interns
9. To apply for accreditation and reaccreditation, please visit: <https://monitoring.rrbn.gov.ng>
10. For any clarifications, send email to: monitoring@rrbn.gov.ng
